You will be notified immediately after the meeting whether you have been approved or whether further information is required. Any appeal to the decision made can be submitted to the Secretary for further consideration.

All CoastRs clubs must submit club paperwork annually before any funding can be allocated.

Membership

Membership of the club is open to: Southern Cross students who are members of CoastRs Student Association. Due to SSAF legislation, funds must be spent on students. As such, club events and activities should be focused on student engagement rather than being community focused.

Recruitment of members shall also consider CoastRs Incorporated's commitment to cultural diversity under its Access and Equity Policy.

Each club is free to determine their own membership fee.

Clubs must keep their membership list updated and it is expected that each club keep an electronic spreadsheet of membership details including name, student number and email address that can be forwarded to the CoastRs Student Association hello@coastrs.com.au each session.

Clubs may incorporate other rules in relation to membership if they are consistent with the abovementioned requirements and associated procedural responsibilities.

Induction

All members shall be offered appropriate information and training to discharge their functions, and successful completion of this training shall be a condition of carrying out these functions. If club members are unsure of any information relating to governance or operations, they are to seek guidance from CoastRs staff or committee.

Behaviour

Club members are to act within the policies implemented by CoastRs and the University with regards to respectful and non-harassment of other students and staff. Please also be considerate that while CoastRs staff and committee are available to assist with the operations of your Club it is important that these Clubs are student led and operated. Committee members and CoastRs staff should not be subjected to unrealistic time frames with requests, approvals, and general correspondence. Where possible please make appointments to see CoastRs staff and understand that due to other work obligations some decisions or requests cannot be completed immediately.

Funding

Each year clubs must submit a SSAF Application for funding for the upcoming year which will be approved and submitted on behalf of the club by CoastRs. If approved by the SSAF Committee, the monies will be made available in February of the upcoming year.

CoastRs are unable to receive SSAF funding monies from clubs who submit their own SSAF bid as the SSAF contract will then be between the club and the University.

For new clubs with no funding or created after SSAF bids are submitted CoastRs can assist with up to \$200 toward the operations. Any requests for funding must be approved by the CoastRs committee.

Any clubs who are inactive or not compliant with the Club Policy will have any unspent funds rolled over to the general CoastRs SSAF account at the discretion of the CoastRs committee.

Finances

All club finances are to be managed by CoastRs. Clubs are required to use a receipt book when taking monies on behalf of the club and then these funds will be banked by CoastRs into the CoastRs bank account.

Any expenses can be paid by CoastRs with prior notice and approval of the club committee. Expenses must be aligned with the requested SSAF Application otherwise approval from the CoastRs committee and potentially SRC is required.

Club members shall be reimbursed for all pre-approved expenditure incurred in the exercise of their functions, as set out in CoastRs Incorporated's Reimbursement of Expenses Policy. Club committee members are volunteers and are excluded from any form of payment.

CoastRs Affiliated clubs and societies are to send in all Meeting Minutes, they will be kept as club records and as proof of approved expenditure for the club or society.

CoastRs clubs are NOT permitted to hold funds relating to the operation of their club in separate bank accounts. Any clubs found to be holding funds in separate bank accounts will not be eligible to receive SSAF funding. It is at the discretion of the CoastRs committee to investigate and request statements of any said monies. This is to ensure the accountability and transparency of SSAF funds by the University and to ensure smooth transitions with committee changes.

Equipment

Any asset purchased by a club or group with SSAF funds should be returned to CoastRs Student Association should the group or club cease to exist or go defunct in any way.

Assets should be kept on the University premises unless permission has been given by CoastRs Committee for it to be stored elsewhere.

A club stock take should be taken at the end of each academic year and all capital items of equipment should be accounted for.

Photocopying and printing

CoastRs will supply printing free of charge for club related marketing and administration at the commencement of each session. Any excessive use of this service may result in a review of the FOC component requiring charges for services.

All volunteers shall be reimbursed for all pre-approved expenditure incurred in the exercise of their functions, as set out in CoastRs Incorporated's Reimbursement of Expenses Policy.

Marketing

Clubs are encouraged to have both flyers and banners for promotion and branding purposes. Qualified CoastRs staff are available to assist with any marketing requirements. Please complete the Artwork Job Sheet with all requirements for marketing to be completed by CoastRs (Appendix d).

All club flyers must have the CoastRs Student Association logo on them and approval from CoastRs is required before any distribution (Appendix d).

It is a requirement of SSAF that your marketing materials include "SSAF Funded".

Any use of SCU name or logo must get approval from the SCU Marketing department. CoastRs Student Association can assist with this process if required.
